Youth Protection and Program Support COVID-19 Resources

Online Programming

• When making the switch online we know it is important to ensure the quality of your programming. Here are some resources that could be helpful:
  
  ACA Online Programming Article  
  National Association of Gifted Children Online Programming Resources  
  Universal Design for Learning  
  Humanize Your Online Course

• You can also refer to our virtual programming guidelines for University specific information on online programming safety and best practices

Summer Camps

Below are some resources for best practices and guidelines for summer camps:

American Camp Association COVID Resources Page  
Association of Camp Nursing guidelines and articles on health screenings and sick policies  
CDC Guidelines

As always, please know that we are available at any time via phone or email and happy to help in any way that we can. Thank you for everything you do for the campus and the community.
